(CY) CYPRUS:

NOTE: Cyprus is a divided state currently under truce, with a Southern Sector comprising the Greek majority and a Northern Sector comprising the territory of the Turkish minority and protected by Turkish occupation forces. Most postsecondary Cypriot awards are granted by institutions that use English as the primary language of instruction. Appropriate award titles, therefore, are listed below in English. Awards not granted in English are listed in the official languages of both the Greek and Turkish sectors of the country, with the Greek title appearing first in vertical order. If a Greek or Turkish award has no counterpart in the other sector, it is listed by itself.
